CONSENT WAIVER

The Fox Valley Animal Welfare League Spay Neuter Clinic employs licensed, well experienced veterinarians and trained staff members in addition to using the highest quality materials for every procedure performed.

It is important to understand the risk of surgery as well as anesthesia. Although extremely low, the risk of death is always present, just as it is for humans that undergo surgical anesthesia.

As the owner or agent of this animal, I authorize the Fox Valley Animal Welfare League to perform the surgical procedure as scheduled. I authorize the veterinarian to administer any treatment that may be deemed medically necessary during the course of the procedure.

I release and indemnify all Fox Valley Animal Welfare League employees, volunteers, and agents from all liability.

I understand that the veterinarian maintains the right to refuse to perform surgery on any animal for whom surgery is deemed a health risk.

Pick-up is around 4:00 pm, please try to arrive around this time. Animals that are still here at 5:30 will incur a \$1 per minute fee until picked-up.
