

EXOTIC ANIMAL VETERINARY HOSPITAL LIST

The following is a list of veterinarians in Chicago and the surrounding area that have experience treating rabbits and rodents. The article "Selecting A Veterinarian" at: <http://www.veterinarypartner.com/Content.plx?P=SRC&S=5&SourceID=43> is a good source of information on how to determine if a veterinary hospital is a good choice for you and your companion. It is highly recommended that rabbits and rodents be examined annually by a veterinarian experienced in their care.
